PROGRAM SCHEDULE

97.1 fm December, 1971

the Advent Model 201 Tape Deck

The Advent Model 201 Tape Deck is, to our way of thinking, the ideal source for playing music in the home. It combines the important characteristics of a high-performance open-reel tape recorder with the convenience of cassettes. The Advent Model 201 will make recordings that are indistinguishable from most source material, including the best stereo records and FM broadcasts.

Of equal importance, the Model 201 realizes the full potential of the new "Dolbyized" commercially recorded cassettes, the most significant source of recorded music since the introduction of the stereo disc. The best of the "Dolbyized" pre-recorded cassettes are easily the equivalent of the best disc recordings, and the number of releases will be continually increasing. The Model 201 has the ruggedness and day-to-day operating dependability of the best home recorders, and will maintain its original performance over long and constant use.

 Burnished to a shimmering new high - this award winning collaboration never fails to mesmerize. The warm, magically lovely performances are at once sensitive, dazzling and moonlight pure. A decidedly welcome and beautiful new Angel issue.
