CUTTING EDGE: Dinastia provides a myriad computing equipment to meet almost any needs and includes its own line of Alaska products.

Dinastia meets local computing demand with wide selection

Special to the Times

Whether it's a new computer, computer accessories or computer repair that you're looking for, Dinastia is the place to go.

Located at 402 W. Calton Road, Dinastia is your one-stop superstore for all of your computing needs.

Open Monday through Friday from 9 a.m. to 7 p.m. and Saturdays from 11 a.m. to 3 p.m. Dinastia carries a variety of name brand quality products such as Viewsonic, HP, Epson, Linksys, Intel, Kingston, Western Digital, Canon, etc; among them, their very own Alaska computers, notebooks, servers, Pocket PCs, printers, scanners, digital cameras, multimedia speakers, CRT and LCD monitors to meet all of your personal or business needs.

Among Dinastia's newest exciting offerings are the Dual mode DVD burner, new low price on LCD monitors, CD Burner & DVD combo drive, latest five megapixel digital cameras, Digital Binoculars that take pictures, and the latest Alaska Intel Centrino

notebooks.

"What makes us different from the rest is that our computers are Microsoft HCL/WHQL certified for compatibility, users can access the Microsoft website and get a list of Alaska models that (See *DINASTIA Page 28)
