

Module 10

Developing 21st Century Approaches

Description: In 21st century classrooms, teachers typically spend 90 percent of their time facilitating learning and 10 percent of their time providing direct instruction. The objective of this module is to have you develop strategies for promoting the skills of listening and speaking, giving directions, observing and monitoring, questioning, encouraging, and intervening. You will also gain a better understanding of the process of accepting change.

Pair and Share: Reflecting on Module 9
