Description: ProProfs is a free online tool for making online quizzes.

System Requirements: Firefox, Safari, Internet Explorer or Chrome web browser.

Signup Requirements: You will need to register for an account, which is free, on [www.proprofs.com](http://www.proprofs.com). You will need to create a username and enter a valid email address.

---

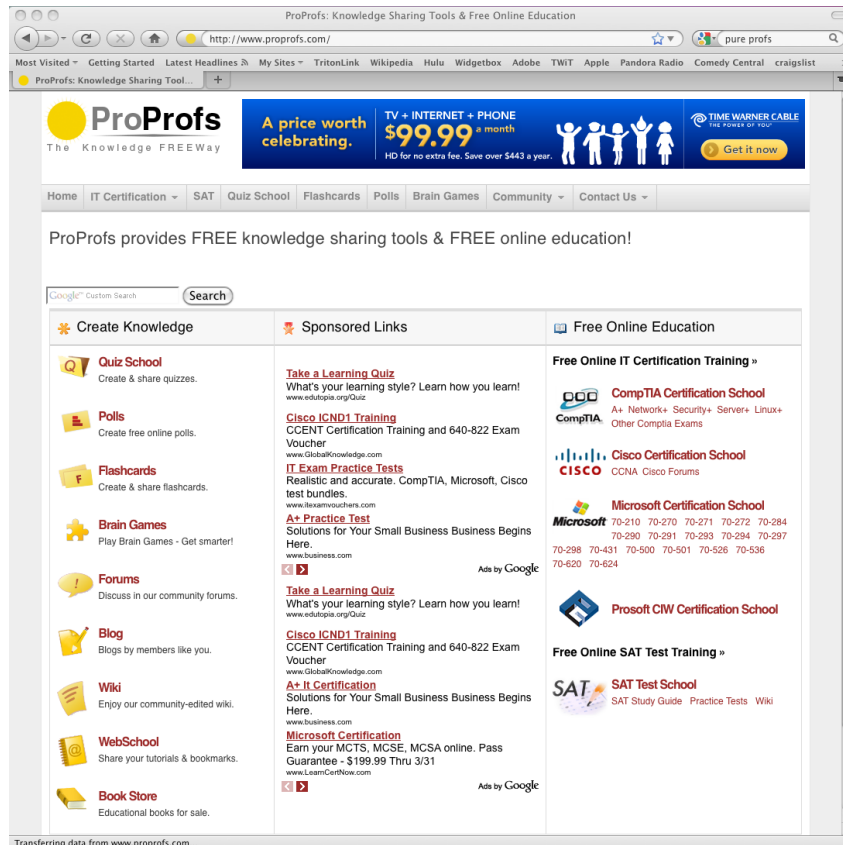

## Installing ProProfs:

1. There is no installation required, ProProfs is in the browser.
- 

Using ProProfs: Below are a few points to get started.

First, go to [www.proprofs.com](http://www.proprofs.com)

On the homepage, you will see a lot different things. Click on the link that says "Quiz School", on the left-hand side.

You will be taken to the ProProfs Quiz School homepage; but before you can start making quizzes, you must either login or signup. Click the "Signup" link in the upper right-hand corner.

The screenshot shows the ProProfs Quiz School homepage in a web browser. The browser's address bar displays the URL <http://www.proprofs.com/quiz-school/>. The page features a navigation bar with links for "Quiz School", "Flashcards", "Polls", "Brain Games", and "ProProfs". A "Signup" link is prominently displayed in the upper right corner. The main content area is titled "Free Quiz Maker: Create & Take Quizzes" and includes a form to "Create an Online Quiz Now" with a text input field for "Enter Quiz Title" and a green "Create My Quiz" button. Below this, a section titled "Take A Sample Quiz" offers three categories: "Corporate Quizzes" (with a sample "Retail Customer Training"), "Educational Quizzes" (with a sample "Identify these historical landmarks?"), and "Fun Quizzes" (with a sample "Which Batman villain are you?"). A "Take A Quiz" link is also present. The "How It Works" section is divided into three steps: 1. Create A Quiz, 2. Share Your Quiz, and 3. Analyze Results, each with a list of features and icons for social media sharing.

The first question is an example of a Multiple Choice question. Enter in the question itself in the large text area, then up to 5 possible answers in the text boxes below. Check the correct answer on the right.

The screenshot shows a web browser window titled "Create A Quiz / Quiz School - Create Free Quizzes" with the URL "http://www.proprofs.com/quiz-school/submit2.php". The browser's address bar and tabs are visible. The main content area is titled "Questions:" and contains a sub-section "Question 1 - Multiple Choice".

Inside the "Question 1 - Multiple Choice" box, there is a "Question (write description of question)" section with a text area containing the text "Dinosaurs' most recent common ancestor is considered to be....". Below this is a "body" text area. The "Answer Options" section is titled "Answer Options (provide at least 2 options. Check the correct one(s) & leave blank unused options)" and contains five options: A Lizards, B Snakes, C Dogs, D Birds, and E. To the right of these options is a "Correct?" column with checkboxes. The checkbox for "D Birds" is checked. Below the options is a "+ Add Explanation" link.

Below the "Question 1 - Multiple Choice" box is a section titled "+ Add More Questions:" with the instruction "Choose type of question to add". It contains three buttons: "Multiple Choice", "Fill In The Blanks", and "Essay Type".

Below the "+ Add More Questions:" section is a "Quiz Options:" section with the instruction "Set quiz score, messages and quiz banner...". It contains three tabs: "Score Options", "Messages", and "Accessibility". The "Score Options" tab is active, showing a "Score Options:" section with a "Result Type:" dropdown menu set to "Pass Fail".

At the bottom of the browser window, a status bar reads "Transferring data from www.proprofs.com..."

To add more questions, simply click either “Multiple Choice”, “Fill in The Blank”, or “Essay Type”. Here is an example of a Fill in The Blank question. Again, fill in the actual question in the large text area, then the possible answer in the text box below. You can chose to have only one right answer, or several.

The screenshot shows a web browser window titled "Create A Quiz / Quiz School - Create Free Quizzes" with the URL "http://www.proprofs.com/quiz-school/submit2.php". The browser's address bar and tabs are visible. The main content area displays a quiz editor interface. At the top, there is a list of questions with checkboxes. Below this, a "Question 2: Fill in the Blank" editor is shown. The editor includes a "Question" field with a rich text editor toolbar (bold, italic, underline, link, images, videos) and a text area containing the question: "We derive most of our knowledge of dinosaurs from various \_\_\_\_\_." Below the question field is a "Possible Answers" section with a text input field containing the word "fossils" and buttons for "+ add" and "- remove". At the bottom of the editor, there are sections for "+ Add More Questions:" with buttons for "Multiple Choice", "Fill In The Blanks", and "Essay Type"; "Quiz Options:" with buttons for "Score Options", "Messages", and "Accessibility"; and "Score Options:" with a "Result Type" dropdown set to "Pass Fail" and a "Pass Percentage" input set to "70 %". A "Done" button is located at the bottom left of the interface.

When you are finished adding in questions, you can customize how the quiz will be scored.

The screenshot shows a web browser window with the URL <http://www.proprofs.com/quiz-school/submit2.php>. The page title is "Create A Quiz / Quiz School - Create Free Quizzes". The browser's "Most Visited" list includes "Getting Started", "Latest Headlines", "My Sites", "TritonLink", "Wikipedia", "Hulu", "Widgetbox", "Adobe", "TWIT", "Apple", "Pandora Radio", "Comedy Central", and "craigslist".

The main content area is titled "Create A Quiz / Quiz School - Cre...". It features a "+ Add Explanation" button and a section titled "+ Add More Questions:" with the instruction "Choose type of question to add". Below this are three buttons: "Multiple Choice", "Fill In The Blanks", and "Essay Type".

The "Quiz Options:" section is titled "Set quiz score, messages and quiz banner...". It contains three tabs: "Score Options", "Messages", and "Accessibility". The "Score Options" tab is active, showing the following settings:

- Score Options:**
  - Result Type:** A dropdown menu set to "Pass Fail". Below it, a "Pass Percentage" is set to "100 %".
  - Set Max Time:** A dropdown menu set to "Not Applicable" (minutes).
  - Total Score:** A field labeled "Enter Score:" with the value "100".
  - Issue Certificate Of Achievement:** A dropdown menu set to "Always".

Below the "Score Options" tab is a "Category:" section with the instruction "Please choose the most appropriate category". It lists several categories with radio buttons: "Business", "Computers & Tech", "Education & Exams", "Fun Quizzes", "Foreign Language", "IT Certification", "K-12 Education" (which is selected), "Miscellaneous", "Personality Quizzes", and "Trivia".

At the bottom of the form are two buttons: "create quiz >" and "save & continue editing". A "top" link is also visible in the bottom right corner.

The browser window has a "Done" button in the bottom left corner.

The "Messages" tab on the same box allows you to customize an opening and closing message for the user.
