

Acceptable Use Policies

The following resources link to examples of acceptable use policies (AUPs). Teachers should fully understand their school or district AUP, and only consult outside sources as a means for updating the current AUP with provisions for accessing and using technology.

Virginia Department of Education

Internet Safety in Schools

"Acceptable Internet Use Policy"

www.doe.virginia.gov/support/safety_crisis_management/internet_safety/acceptable_use_policy.shtml

Montgomery County Public Schools

"Appropriate Usage Agreements" (Grades 2–5, 6–12)
